Written Statement Regarding Entity Verification

Sir:

On August 22, 2006, Applicant submitted a Request for Continued Prosecution (RCE) with the United States Patent and Trademark Office. At the time of filing, Applicant inadvertently selected "small entity" to calculate the fees rather than "large entity." Applicant would like to clarify that a "large entity" fee should have been paid; and therefore, authorizes the Commissioner for Patents to charge the remaining balance of \$395.00 to Deposit Account No. 50-3545.

Respectfully submitted,

Date: August 22, 2006
